Join us for the **Best Evidence Osteoarthritis Management Workshop** at the Josephinum on **Wednesday, April 17, 2024, 3PM-6PM**. This in-person event is your chance to learn about the most up to date, evidence-based strategies to manage osteoarthritis.

During this workshop, renowned experts will share their insights and best practices to help you effectively manage osteoarthritis. From evidence-based treatment options to lifestyle modifications, you'll gain valuable knowledge to improve the quality of life for those with this condition.

Network with fellow healthcare professionals, exchange ideas, and engage in interactive discussions. Whether you're a physician, therapist, or researcher, this workshop offers a unique opportunity to enhance your expertise in osteoarthritis management.

Our presenters will include international experts:

- [Prof David Hunter](#) University of Sydney
- [Prof Martin van der Esch](#) Amsterdam University of Applied Sciences
- [Prof Rana Hinman](#) University of Melbourne
- [Prof Shannon Mihalko](#) Wake Forest University
- [Prof Marius Henriksen](#) The Parker Institute
- [Dr Samantha Bunzli](#) Griffith University
- [Dr Shirley Yu](#) University of Sydney
- [Dr Jillian Eyles](#) University of Sydney
- [Dr Sarah Kobayashi-](#) University of Sydney
