Description:

About the Author Juanita Bynum's powerful gospel ministry in word and song has encouraged and transformed millions of hearts worldwide, as has many of her books. She hosts television programs and often shares her insights in women's ministries. In addition, she has authored bestselling titles such as No More Sheets, Matters of the Heart, The Threshing Floor, and A Heart for Jesus.

From The reconciling of one's heart with God is tricky here in the West, where connecting with the Divine is so embedded in getting things done. In a sometimes longish essay, the author chronicles her personal journey from excessive ambition and agitated helplessness to true enlightenment. For years she ignored signs from God to slow down before she was led to the Bible passages that she

shares throughout the program. Bynum is a warm, sincere writer whose message of honesty and connection with God sometimes sounds like a sermon. But overall, her intimate writing and the excellent work of narrator Sandra Burr help the program deliver a message that most overachieving spiritual seekers will understand.
