### Description:

**Review Recommended on USA Today! Read the Bestselling Novel That Has Critics Raving:**

"I am happy to cheer Mr. Blackwell on as he draws us into his supernatural thriller, *The Sanheim Chronicles*."

--**Mark Metcalf, Actor** (*The Master*, *Buffy the Vampire Slayer*)

"Book One of *The Sanheim Chronicles* is a brilliantly plotted roller coaster read, and I loved every page of it...The story is gripping from the off, drawing you in to a rich and believable world. But this isn't any old world, there's a heavy dose of fantasy lurking behind the scenes."

--**Shelfless [Kindle Blog]**

"It was hard for me to believe that *A Soul to Steal* is Rob Blackwell's first novel. I loved how he took just a little bit of the Headless Horseman story and interwove it with his own to make this unique thriller. Anyone could enjoy this book."

**--Bending the Spine [Book Blog]**

"It was also interesting to explore how debilitating fear can be and how people react to it with fight or flight, how fear freezes you to the spot when you know you have to hurry and get away from the killer. I'm vague on purpose, peeps. I don't want to give you any spoilers. I just want you to read this book. It's really, really good."

**--Nocturnal Book Reviews [Book Blog]**

"The story is carefully unfolded, bringing some good old fashioned page-turning suspense."

**--Alaskan Bookie [Book Blog]**

"The twists and turns within the novel keep you guessing till the very end."

**--The Heart of the Dragon's Den [Book Blog]**
