Description:

Bonded by a harrowing cat rescue, Luke and Rachel are instant friends, but they can't deny their attraction despite their business relationship. Rachel worries dating her boss is a bad idea, but soon the least of her worries. When two dead bodies are found in their apartment building, Luke is the main suspect. Has Rachel misjudged him?

Please note: After the Storm and Lightning Strikes (also available) are short stories written in round-robin style by numerous authors of Prism Book Group during a promotional event. Each contributor had the opportunity to add a section, and take the story where they chose. The authors had a good time pulling this together! Now that the event is over, they are offering it free of charge for readers who would enjoy the opportunity to read it. It is meant as fun, merely to showcase various writing styles, and is not intended as a novel.
