## **Description:**

Through ongoing research into students' workflows and preferences, ECON Micro from 4LTR Press combines an easy-reference, paperback textbook with Chapter Review Cards, and an innovative online experience - all at an affordable price. New for this edition, students explore ECON Micro anywhere, anytime, and on most devices with ECON Micro Online! With the intuitive StudyBits™ functionality, students study more effectively and can visually monitor their own progress. Coupled with straightforward course management, assessment, and analytics for instructors, ECON Micro with ECON Micro Online engages students of all generations and learning styles, and integrates seamlessly into your Economics course. ECON Micro features examples and illustrations that your students will recognize when they show up for class the first day, because they already have at least 17 years of personal experience with economic choices, institutions, and events. This book truly leads by example, taking a "just-in-time" approach that introduces material just as it is needed to develop an argument.
