Description:

Help your preschooler develop their vocabulary and early literacy skills with this sticker book introducing over 100 essential first words. Organized into groups such as farm animals, toys, and things that go, each colorful page features familiar, everyday words and pictures, and learning becomes interactive as children look for, find, and match the correct stickers to the correct spaces.

A great book to help children aged three and over build language, start word and picture association, and develop hand-eye coordination skills.
