Description:

Review "...the book is a well-plotted and compelling story, which takes us into the Nasser family dynamic: when Dave and Christie start trying for a baby, they encounter heartbreak. Startlingly honest and well-written, Giant George's story stands apart from the slew of other dog books on the shelves." Publishers Weekly (1/30/12)

"What seems like a gimmicky idea for a book-life with the world's tallest dog (with a Guinness Book of World Records certificate to prove it)-turns out to be an engaging, humorous read...But rather

than the rambles of an obsessed owner, the book is a well-plotted and compelling story, which takes us into the Nasser family dynamic: when Dave and Christie start trying for a baby, they encounter heartbreak. Startlingly honest and well-written, Giant George's story stands apart from the slew of other dog books on the shelves." --**Publisher's Weekly**

"He may not be Rin Tin Tin, but George has one enormous claim to fame: at nearly five feet tall, seven feet long, and 245 pounds, this Great Dane holds the Guinness World Record not simply for Tallest Living Dog but Tallest Dog Ever. With Oprah appearances, 75,000 Facebook fans, and over 2.6 million hits on his YouTube videos, George is big on followers, too. And he's a sweetheart. Buy for all those dog fans-we're legion." --**Library Journal**

"A hilarious story, and well told. Much of the humor comes from the spectacle of a couple of innocents having their eyes opened. After you've read about [George's] exploits, the Nassers won't be the only people smitten with him. You will be, too -- although if you're lucky, no one will ever ask you to provide space for him in your home." --Mike Neill, *The Reading Room* --This text refers to the edition.

About the Author Dave Nasser has a degree in Economics and a Masters in Public Administration. He renovates houses and sells real estate in Tucson, where he lives with wife Christie, two young children, and, of course, Giant George.
