Description:

About the Author David Chuka lives in London with his lovely wife and two adorable children. His family are usually the first people to hear his funny and quirky tales. He was inspired to write his first book, '**If You See a Doctor**' after he struggled to find a book for his daughter who was a beginner reader.

He's gone on to write more books including the popular 'Billy and Monster' series, a funny set of

books about a little boy and his Monster who get into all sorts of funny situations and learn about moderation, friendship, self control, bravery etc. Young children can relate to Billy and you'll love sharing his adventures with your children, grandchildren and loved ones.

As a father himself, he has parents at heart when he writes. He recognizes that bedtime has to be one of the best parts of the day for parents and grandparents as it gives them the opportunity to bond with their little ones. He believes you'll enjoy sharing his stories with your loved ones at bedtime.

In David Chuka's books, you can stay rest assured that quality and captivating images will always complement the story to ensure your loved ones are spell-bound as you read to them. Beginner readers will also enjoy discovering new words as they read his books.
