## Description:

### **Bite-size lessons. Big-time learning, now with digital support**

*Practice Makes Perfect Basic Spanish* is a trusted and proven companion for your Spanish-learning experience. In each bite-sized lesson, author Dorothy Richmond explains one - and only one - grammar concept and illustrates it with many clear examples. The accompanying exercises let you practice, practice, practice what you have learned. Although these lessons are purposely short so you can complete them in twenty minutes or less, you can go at a pace that works for you.

This guide/workbook will help you master:

present tense verb conjugation • the *ser* and *estar* verb forms • adjectives • possessive pronouns • sentence structures • the contractions *al* and *del* • indefinite articles • *tener* idioms • and more

This Premium Second Edition features accompanying materials in the McGraw-Hill Education Language Lab app (available online and via app stores) to aid your studies:

- Flashcard sets for all the vocabulary lists in the book
- Audio recordings of the answers for most exercises
- Record-and-replay feature to compare your answers against native-speaker pronunciation (if your mobile device has this capability)

Note: audio recordings (totaling 75 minutes) require Internet access.
