Description:

Review "The author, with his great imagination, writing creativity, and sense of humor takes us through scenes full of surprises, unexpected turns, and new discoveries. Although this book is beneficial to everyone, I would especially recommend it to the young generation because it teaches them the great values of life." - Lana Lykova (High School English Teacher)

About the Author James D. Maxon (1977-Present) was born at Elmendorf Air Force Base in Anchorage, Alaska. His parents were divorced when he was just three-years-old. Having acquired a love for fantasy at a young age, he began to write stories of his own, providing children and teens with messages of faith, hope, and insight.
